

SECOND ANNOUNCEMENT

1st Nov. 2017

Dear Colleagues,

The **21st Hypospadias Study-Day** organized jointly by the **Society for Sexual Development and Hypospadias** (CGHD) and **Hypospadias International Society** (HIS) in Istanbul, on 1st and 2nd December 2017.

The first day of the meeting on Friday, 1st December 2017 is a Surgical Workshop on Hypospadias repair with the employment of the 'Glanular-Frenular Collar technique' and is to be held by Prof.Dr. Hüseyin Özbey. The venue is the Surgical Clinics of Istanbul University at Çapa. The event is free, pre-registration is mandatory. Please contact Prof.Dr. Hüseyin Özbey directly through e-mail: huseyinbey@hotmail.com

The venue for the second day of the **21st Hypospadias Study-day** on Saturday 2nd December 2017 is the Nippon Hotel at Taksim Square. <http://www.nipponhotel.com.tr/images/harita.jpg>

The registration fee is 50 USD (including lunch) and is payable on-site.

Kindly complete and forward Registration Form before 28th November to tunc@cnidus.com

The invited lecturer of the Hypospadias Study-day this year is Prof. Waifro Rigamonti from Milan, Italy. Prof. Rigamonti is the consultant pediatric urologist of the IRCCS San Raffaele di Milano, and will be presenting us his results in his personal hypospadias repair – the 'Rigamonti technique'. For the original description of this technique refer to paper '*Onlay on albuginea: modified onlay preputial island flap urethroplasty for single-stage repair of primary severe hypospadias requiring urethral plate division*' posted on our website: www.dsdturk.org

We look forward to your attendance to the **21st Hypospadias Study-day** in Istanbul.

Respectfully,

Şeref Etker, MD
Honorary Secretary, CGHD
